MOBIL OIL PRESENTS CHEQUE

Cheque presented to Drayton Valley Hospital by Mobil Oil of Canada, Ltd., will provide new Infant Resuscitator and Aspirator for Hospital.

Cheque for \$961.00 was presented Tuesday, (June 30) in Drayton Valley to Mr. Don McKennie, (second from left), Hospital Board Chairman, by Mr. L.C. Stevens, (second from right), Vice President and Production Manager, Mobil Oil of Canada. The company is the major operator in the Pembina Field. Others in the picture, left to right: L.S. Hebert, District Operations Superintendent and Dr. T.H. Brooks, Medical Officer to Mobil Oil in Drayton Valley.

(Further details inside)

Drayton Valley United Church was the scene of a very pretty wedding on Friday, ~~March 1st~~ at 2:30 o'clock when Dorothy Georgina, daughter of Mr. & Mrs. George Cline of Drayton Valley became the bride of Alvin Leslie Davidson, also of Drayton Valley. He is the son of Mr. & Mrs. Leslie Davidson of Slave Lake.

Her chapel veil was held in place by a coronet head-piece decorated with seed pearls. She carried a small white Bible surmounted with a cluster of red sweetheart roses with streamers of rose buds and lily of the valley.

Mrs. Eileen Beloe, cousin of the bride, was soloist and sang "The Lord's Prayer" as the bridal party stood before the altar. Also "The Wedding Prayer" was sung as the register was being signed.

The two attendants wore identical floor length gowns of white nylon net and lace. The bouffant skirts were flattered with rows and rows of lace and net.

The ushers were Rodney Cline, brother of the bride, Arnold Anderson, cousin to the groom and Jerry Wall.

The groom's mother was dressed in a blue and white nylon dress with white accessories and also a corsage of pink sweetheart roses.

The brides table was centred with a three tiered wedding cake beautifully decorated by the brides aunt, Mrs. Lindskoög.

Following the honeymoon, the happy couple will live in Drayton Valley where he is employed with Cactus Drilling.

Those of you who do not care for pets or animals will find this discussion rather boring but you are in the minority so you will have to exercise patience. I am not one of those persons who believes that people who do not like animals are not to be trusted. That idea is a popular one but I think that is a poor attitude to have toward people who just don't happen to care what for any kind of an animal. It is easier for me (next column)

FOOD FOR THOUGHT (continued)

to understand people who do not like pets as don't have any, than to understand people who say they like animals and have them around but do not take any care of them. No matter what kind of a pet you may have, a dog, cat, bird, horse, fish or turtle, it should be given the best of care and attention or you should not have it. When in captivity, an animal is at your mercy and to neglect it in any way is cruel. Stray cats and dogs, that are allowed to roam at will, become a nuisance to everyone. Provisions for the care of these animals are chapters and

de your pets with the proper living conditions to bring them home. However, a pet requires a lot of affection and will often roam around in to search of it. They need to be properly fed, housed and loved or they will wander. Too often an animal is obtained for the children's pleasure which is a fine purpose if the children in the family take the time to show the children how to play with it and to assume some of the responsibility for its care. A child can learn a lot from a devoted pet and a boy and a dog just seem to be made for each other.

I can never remember being without a pet of some sort, squirrel, dogs, cats, rabbits and almost anything you can think of. It was fortunate that I married a man who took care of my pets as I do. I had a small white cat, named Tuffy, and a little "shell out" cocker, called Tuffy, and our tortois called out, called Cindy. They will both be nine years old next January and I will miss using nine year old cats and dogs as companions. We have spent a lot of time in kennel fees for them when we have had to make trips without them and we have worried and fretted about shipping them to various places. I have never been able to get Tuffy on a trip so we have been transferred. Tuffy came across the line with us in the car on our riding is right up her alley. Cindy objects to automobiles and she doesn't mind saying so. Under the circumstances, I will miss the dogs I hope to Canada via rail.

It was certainly an indignity to her pride but we were charged fifteen cents duty on her at the Customs station and we tried to explain to her that she must have greater value than Tuffy and be more important as Tuffy came into Canada duty free. At times it would be easier and certainly much cheaper not to have our pets but we cannot evaluate, in dollars and cents, the years of fun and happiness they have given us and we feel we owe them room, board, and our love.

This week in Canada a very important day has celebrated July 1st was Dominion Day, the day of Confederacy. To most people it meant a holiday and much more thought was given to it but it represented the founding of this nation and as we now know it. Canadians are proud and I am sure to be proud of our country. I hope that all of you feel a great stir of patriotism on July 1st. It seems to be growing "out of style" to be patriotic and I feel quite sure that our patriotic citizens are not making any change to their attitude toward our national heroes and their immortal record of sentiment, sacrifice and idealism. It is not a chance to emphasize the deeper and more significant of our national history and the justifications of the language and speech of generations overseas who knew what patriotism meant long before their children, our immediate ancestors, founded the liberties which we enjoy today. I am sure that you are all proud and will be proud of Canada and that you are all Canadians.

On Saturday, July 6, Dayton Valley Lions plan a large work party to complete the cement floor which is being put in the curling rink. They have spent several nights, recently getting the floor ready for the pouring of the concrete, putting the tubing of the ice-making machine in place for the cement, and so on. They plan to start early on Saturday morning and end when they feel that all who are interested in the curling rink will be on hand for the task, as many of the members of men will be needed. Four or five trust-mix concrete trucks have been arranged and will arrive in the ready-mix concrete.

anyone who will be able to help in this community project may contact Pete Nobe at 259 or 153, Bert Demora, phone 51 or 464, Al. Casey at 50 or 126, or Howard Cathron at 426 or 538.

It is hoped that the floor will be finished in time to hold the dances at Rodeo time in it. Best ticket sales are going good it is reported. Lions of Dwyer Valley are getting ready for the big push at Rodeo time. It is fully expected that it will be bigger and better than ever. A lot of work and planning are going in to it.

A number of Mobil Oil Drayton Valley personnel were on hand, with representatives from the Hospital Board and Medical profession in Drayton Valley to watch the formal presentation of two cheques for \$961. which the company donated toward the purchase of an infant resuscitator for Drayton Valley Municipal Hospital.

As well as Mobilmen from the Drayton Valley office, other Mobil oil personnel was present from New York and Calgary. Present for the occasion was Mr Joseph Spivack, of the Exploration Department, in the Calgary office; Mr E.V. Watts, Production Manager for Secony-Mobil at New York; Mr Vernon Jones, Exploration Manager with Secony-Mobil, in the New York office; and Mrs L.G. Stevens, Production Manager, Mobil Oil of Canada.

The Dreyton "Hoy Murses" association held the last meeting of the season on June 10. Main topic of discussion was the further preparation for the assistance at the Blood Donor Clinic. The Murses planned to award a plaque, to the club or organization or group with the greatest number of people donating blood in the name of the organization, at the Blood Donor Clinic, June 29. The plaque was displayed in Williamson store window.

The acting secretary, Mrs. Dana Sommer has been transferred to Calgary. Mrs. Naomi Schneider will now hold the office of secretary. The September meeting will be held the second Wednesday, at 8.00 p.m.

Scoutmaster Doug Aspaslet announces that there is need of Scout leaders to accompany the Scouts to Sylva Lake on their week of camping at the lake. Mr. Aspaslet says no previous experience is needed to help out with the Scout activities. The camping trip will last from July 4th to July 11th. If anyone feels they would be available to make the weeks trip to the lake with the Scouts they may contact Mr. Aspaslet at 509.

The Town of Drayton Valley recently purchased the property owned by the Anglican church. It is located immediately north of the church. (next column)

The town will build the Civic centre on the property, which is five lots in area.

Violet Grove's second annual SportsDay will be held at the baseball diamond, a quarter of a mile east of the post office. The Sports Day is sponsored by the Violet Grove Community League.

Plans call for a number of ball games, for booth ex-
positions, horse shoe matches, etc. Starting at six
o'clock the Pembina Boxing Association will stage a
few boxing events. Later in the evening a dance will
be held in the Violet Grove Community Hall.

With a Cities Service house recently completed in Drayton Valley, Mrs. C. Crabbe, wife of an engineer for Cities Services in Drayton Valley, will fly by C.P.A. plane from Amsterdam, Holland next week. Mrs. Crabbe will be accompanied by their two children, aged 4 and 2.

at the recent meeting of the Lutheran Ladies Aid plans for the Sunday School picnic were made and discussion of forming an L.W.M. League. Reports on the recent Home Bake Sale were given. The ladies are planning on furnishing the kitchen in the new Church. Nabob coupons are being collected for a coffee urn. Money is being set aside for sutlery.

On August 9th, joint services will be held in Angel
All-Saints church with the Reverend Mr Wright, of
United Church preaching the sermon. For the August
16 services the United Church will be used, with the
Reverend Mr. Griston preaching the service.

It has often been said that everyday in life our pores break new law, thoughtfully for the community at large it is as if we would appear to be dead, written and the legal infringements almost without exception are of a minor nature. Public Health legislation is certainly an exception to this maxim though it is debatable whether infringements are inadvertent or not, e.g. quite recently deposits of garbage refuse can be seen lying here and there along sidewalks and byways. It is hard to believe that persons depositing such bits on the landscape did so believing they were entirely within the limits of the law.

Although this is illegal, one would think that there was no law on the subject, for the sake of common sense alone, despite the hazard to health and persons using them. It is a disgrace. Not only is it a refrain from this country but also from the rest of the world, but instead, thousands to health are condemned persons organizing events at which food or drink is served. A reminder is given that there is legislation on the subject which requires that all utensils and equipment which may come in contact with food shall be maintained in a clean and sanitary condition. Utensils and equipment shall be effectively cleaned after each use and sterilized before re-use. The same and cleaning procedure are subject to health inspection approval.

FOOD FOR THOUGHT (continued)

With such nice strawberries in the markets I thought you might enjoy the following recipe.

Strawberry Ice

1 pint fresh strawberries (measure after cleaning), 1 cup sugar, 1 cup water and juice of 1 lemon. Crush the berries, add sugar, lemon juice and water. Press through a fine sieve and pour into a freezing tray and freeze firm. Remove to chilled bowl and whip until very light. Return to tray and finish freezing. This is a very cool and refreshing dessert with summer meals and not too rich.

"Breathes there the man, with soul so dead,
Who never to himself hath said,
This is my own, my native land!" Sir Walter Scott.

MOBIL OIL PRESENTS MODERN INFANT BREATHING APPARATUS TO HOSPITAL.

A happy event took place in the Cardium Room of the Hotel after a luncheon on Tuesday, June 1. Then Mr. L. C. Stevens, Vice-President, Mobil Oil of Canada, Calgary presented to Mr. John McKennie, Chairman of the Board a cheque for \$964.00 to cover the cost of a new ultra-modern medical unit.

This unit has been in the Hospital on approval since 1st June and has already saved the life of a baby after a difficult confinement and is in constant use for maternity work as it has many versatile uses.

Dr. Brooks brought this unit in from Montreal on his own responsibility but the Board found it difficult to allocate sufficient funds—it was at this juncture Dr. Brooks appealed to Mobil Oil that they could mark the anniversary of Discovery Hall, June 1959, by presenting this "life-saver" with an appropriate plaque affixed.

Mr. Richard Robb, Field Superintendent enthusiastically supported the appeal to Calgary and it was at this juncture that the response so readily came both from Calgary and New York.

At the presentation appreciation and thanks was voiced by the Hospital by Mr. McKennie and for the community by Dr. Brooks:

"We are no doubt the first small community outside the big cities that has been able to procure this equipment as they are much in demand by the bigger centres and there is at the present time a considerable delay in delivery even to the bigger hospitals."

DRAYTON VALLEY HIGHLIGHTS By Edith Deby

Mrs. Frank Rosworth, who has been organist at All Saints for the past several months, is moving to Calgary soon. After Sunday morning the Rev. Allan Swinton presented Mrs. Rosworth with an engraved silver plate in recognition of her services. Mrs. Rosworth also trained the junior choir.

Little John Tyler, son of Mr. and Mrs. Jack Tyler, has a brand new sister. The newborn has been given the pretty and unusual name of Dinah with Sandra as a second name. She was born at Drayton Valley Hospital on June 11 and weighed in at a sturdy 6 lb. 14 oz.

Mrs. Walter Krause was in Edmonton last week attending a National Library Conference which was held at the University of Alberta.

Word was received here this week of the death of Richard (Dick) Davis in Cathedral City, California, on May 30.

(continued next column)

Highlights (cont'd)

Mr. Davis is one of Drayton Valley's pioneers.

The Davis Brothers, Tom and Dick, came to Drayton Valley from Ontario in 1912. Each filed on a homestead. Dick on the quarter section that the schools stand on and Tom on the quarter west of it now owned by Art Woods.

In 1913 the Davis men were among those who worked on the power dam project on the Saskatchewan River. When the first World War broke out, Tom returned to Ontario and Dick went to the United States where he enlisted in the American Army.

Mr. Richard Davis married and moved back to Drayton Valley in 1923. Mrs. Davis bought her brother-in-law's quarter and she and her husband worked hard to bring their farm under cultivation.

Mr. and Mrs. Davis were always ready to lend a helping hand in any community project. Both were active in the work of the Anglican Church and Mr. Davis donated the acre of land on which the Drayton Valley Community Hall was built.

Mr. Davis' health was not good following his war service and finally, in the late 1940's, he and Mrs. Davis disposed of their Drayton Valley property and moved to California.

Mrs. Kosharski, Miss Koss and Mrs. Letwinuk of the Drayton Valley Public School Staff are attending summer school in Edmonton.

Three veteran teachers, Mrs. Wollschlaeger, Mrs. Bullen and Mrs. Brown laid down their shawl on Tuesday for the last time. To each of you goes best wishes and a hearty "Thank You" from your friends in Drayton Valley.

Mr. and Mrs. Dick McKennie, New Zetia Brown, welcomed a daughter in Drayton Valley Hospital last Saturday afternoon.

The Salley Braves Women's Softball Club of Drayton Valley won out over Violet Grove team by a score of 18-17 at Violet Grove on June 30.

Two hundred eighty-one blood donors passed through the Blood Donor Clinic on Monday evening in a little over three hours. The Pegasus Club won the booze platoon donated by the A.A.R.H. They had one vote more than their nearest rival, the Lions' Club. This successful clinic was the result of splendid team work and all those who helped are to be congratulated.

Mrs. Somers, of Tonganoxie, Kansas, will be the guest of Mr. and Mrs. William Wollschlaeger for two or three days next week. Mrs. Somers is a sister of the late James Truett of Violet Grove, and it is her wish to meet her brothers' friends and visit the hospital to which she donated so generously in memory of her brother.

The Farm Union will hold its regular monthly meeting at Drayton School on Monday, July 6, beginning at 8 p.m.

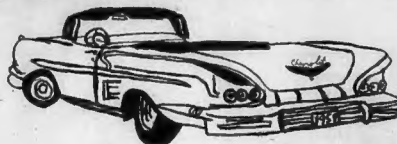

Miss Joan Williams left after school closed for a two months holiday in Europe.

DRAYTON VALLEY GIRLS TAKE COURSE.

Carole Lindskoog and Gail Fairbairn plan on leaving for a one month course in Red Deer, starting July 5. The course is a Provincial sponsored course, to enable them to qualify as Recreational Directors. Both girls took a one month course in the same subject in Red Deer last summer; completion of the course this year will give them a permanent certificate in Recreation Directorship. Last year two young men from this area, Don Anderson and Richard Schipper also took the one month course.

Our Baby Spy informs us that Mr. and Mrs. Bernard von Tettenborn recently became Papa and Mama for the first time. Name of offspring...Bernard Carl... weight 8 lbs. Date and Place of Birth: June 22, Royal Alex. hospital.

With the weather really bearing down with the moisture when the Ki-by Show was in town, one of the owners of the show, not too long from Oklaheem, after complaining about the weather, philosophized.... OPEN-10:00 A.M. EVERY DAY**INQUEST HELD IN HIGHWAY DEATHS.**

On Monday, June 29th, Provincial Coroner Dr. Brooks presided over the inquest held in the tragic deaths of Mr and Mrs Andrew Gresco, of Cynthia. Mr and Mrs Gresco met their death during the early morning hours of June 14, as they were proceeding west, about one and one half miles from Aliske.

According to the testimony given at the inquest, the driver of the Shirley Bros. truck which was named in the rear by the Gresco car, Mr Mulligan, stated that he had stopped to check his tires. He was west-bound with a drilling rig unit loaded on his truck. A Mack and Mann truck, with driver Lorne Armstrong, was headed east, and stopped just off the main part of the highway, opposite the westbound truck. Both drivers heard a sound of squealing brakes, and then the crash of the Gresco vehicle as it hit the rear of the Shirley truck. The time was about 2:45 a.m.

Corporal Kerekuk, of the R.C.M.P. detachment in Braton was called to the scene of the accident, and Dr. Brooks was also called. Corporal Kerekuk called the Identification Section of the R.C.M.P. in Edmonton. Corporal Ballantyne of the Identification Division, then drove but and took pictures and made graphs of the scene of the accident. These were presented as evidence at the hearing. According to testimony the night was clear, road conditions were dry, but there were some small fog patches. Two passengers in the rear seat of the Gresco vehicle, Walter Rusnick and Elton Kine, who were sleeping at the time of the collision were shaken up a little, but otherwise were unharmed.

In addition to the testimony of the driver of the Shirley truck, Allan Mulligan, testimony was heard from Lorne Armstrong, the two passengers in the rear of the vehicle and from Inspector Ballantyne. Mr. Westrich of the law firm of Westrich and Westrich (page 521)

INQUEST. (continued)

of Edmonton, representing the Gresco estate was present for the inquest. The jury consisted of Lorne Stevenson, Foreman, A. Lloyd, K. Holmer, Tom Johnson, H. Anderson and Jack Henry.

The jury of the inquest returned with their decision, which was:

We find that Marie Gresco came to her death at approximately 2:45 a.m. June 14, in a vicinity approximately 1 1/2 miles west of Aliske, Alta.

In our opinion the deceased's death was caused by impact of a motor vehicle operated by Andrew Gresco, with a truck operated by Mr. Mulligan of Shirley Bros. Trucking Co."

The second verdict stated: "We find that Andrew Gresco came to his death at about 2:45 a.m. in a vicinity approximately 1 1/2 miles west of Aliske, Alta. An out opinion death was caused by impact of motor vehicle operated by said Andrew Gresco with rear of truck unit operated by Mr Mulligan of Shirley Bros."

We find that contributing factors to said death were excessive speed combined with excessive consumption of alcohol by the deceased."

Mr and Mrs Gresco, who operated the Cynthia Texaco Garage in Cynthia, left five small children. The children are at present staying with relatives. Both Mr and Mrs Gresco were very well liked by all the knew them in the Lodgepole and Cynthia areas. Mr Gresco drove the first school bus that took children from Cynthia to school in Lodgepole.

In the Pony League games played in Wildwood July 1st, Wildwood took the first game from Inverburg. In the second game Drayton Valley won over Mobil Oil. In the only playoffs for the cup Wildwood beat Drayton Valley 4-1, to win the cup. Outstanding player of the day was Wildwoods' pitcher who pitched 10 full innings.

LIONS' RODEO-JULY 31-AUG 1

WORK PARTIES FORMED TO FOUR
CENTRAL FLOOR IN RIDE.

Drayton Valley Lions are working hard to get everything in readiness for the big push on July 31 and August 1, when Drayton Valley's fourth annual Rodeo will get underway. This year the big annual event if being sponsored by Drayton Valley's not-too-long organized, but extremely aggressive Lions Club and promises to be bigger and better than ever. It is well to bear in mind that this is no small time affair, so far as the rodeo and the rodeo stock that has a part in the rodeo; it is all "bigtime" stuff, with most of the same cowboys who take part in the big Stampede staged in Calgary and Edmonton each year taking part. The show is fully C.P.A. approved and the stock is supplied by Harry Vold and is the very best on the line.

This year a few very fine new attractions have been added, the Cutting Horse competition that so many enjoyed last year will be back again this year, there will be a "World Barrel Race" and "Rodeo Greenwood" and his trained buffalo team will be here. The very fine 12 Triple glass boat, complete with 22 H.P. motor, and trailer and accessories will be drawn for on the last night of the rodeo, at the closing dance. There will be three dances staged during the rodeo, starting on Thursday and continuing each night till the final Saturday night dance when the boat draw will be made and the Band Contest judging will take place.

Parade time of starting will be at 12:30, Friday noon. The Parade will form opposite Calgary Power office and after forming will go west to the Dairy office, and then north past Imperial Lumber, turning west at the corner by Imperial Lumber they will go by the hotel corner by Pembina Drugstore, then south to Drayton Valley Supply and west to the disbanding point at Stewart Motors. All entries are requested to be on hand at Calgary Power office by 11:30 a.m. on the morning of the parade. Anyone wishing to enter a float may call the parade.
